BIG DAMAGE SUIT AS RESULT OF AN ACCIDENT

In the district court, John L. Berrett has commenced suit for damages against Gerrit Ford, Jr., Hyrum Jones and LeRoy Roskelly of Brigham City for alleged personal injuries, sustained by virtue of a collision on Washington avenue near Twelfth street, March 11.

The plaintiff states that on the day in question, as he was driving a team attached to a wagon along Washington avenue, an automobile, driven by one of the defendants, collided with his rig and threw him violently to the ground. He says that he was rendered unconscious and was taken to the hospital where he remained five days, his team running away toward home in Pleasant View, damaging the wagon. He claims that the defendants were out joy riding and were intoxicated and that they were driving the machine in a reckless manner. He declares that he was damaged in the sum of \$5000.

YOUNG FELLOW HELD ON A CHARGE OF DRUNKENNESS

The municipal court judge exercised no leniency rule in cases of Sunday drunkenness against seven men this morning and each one was given the alternative of paying a \$3 fine or serving three days in the city jail. Six of the men, Tom Rawlins, Edward Diamond, M. Johnson, Leo Smith, William O'Neill and John Norton were arrested by Patrolman William Brown on lower Twenty-fifth street, the first three early in the evening and the latter three during the afternoon.

The seventh man was William Emerson, 23 years old, who was arrested by Detective Robert Burk on the grounds of the State School for the Deaf and Blind, in company with Vilars Van Buskirk, a 20-year-old youth. The latter also was charged with drunkenness and entered a plea of guilty. In answer to questions by the judge, Van Buskirk stated that he

bought the liquor which was imbibed by himself and Emerson, Saturday night, but seemed unwilling to tell where. The judge ordered him kept in custody "until he tells." In addition to the three-day sentence or \$3 sentence, Emerson was given a 177-day suspended sentence pending good behavior.

John Pearce, who was arrested last Friday by Patrolman William Brown, was sentenced to serve 25 days in jail. He was charged with drunkenness and according to the arresting officer the charge included a flagrant disturbance of the peace. E. Kuncel and H. Hunter pleaded guilty to charges of exceeding the speed limit on motorcycles and were each fined \$5. They were arrested yesterday by Officer William Reast on Twenty-fifth street hill.

Pearl Lewis, 22 years of age, entered a plea of not guilty to a charge of vagrancy. The latter changed the plea to guilty and was given a suspended sentence, after promising to return to her home.

Hyrum Smith, a transient, was found guilty of assault and battery, on the testimony of Gust Papas and Detective Robert Chambers, and was sentenced to serve 60 days in jail. The testimony was to the effect that the defendant made an unprovoked attack on Papas last Friday afternoon and struck him on the head with a piece of gas pipe.

EAGLES TO ERECT NEW CLUB HOUSE

Ogden Aerie No. 118, Fraternal Order of Eagles, has virtually decided to erect a new clubhouse this summer and a committee is now endeavoring to select a site for the structure. Five sites, all in the business district, are being considered, but the committee is having some trouble in reaching a unanimous decision as to which one would prove acceptable to a majority of the lodge membership.

The building is expected to involve an outlay of from \$50,000 to \$60,000 and will include a gymnasium, swimming pool and an outside athletic court will also be constructed in connection with it.

Notice is hereby given that the partnership heretofore existing between Joseph I. Smith and Leonard J. Smith, doing business as Smith Brothers, and operating a mattress factory on the Canyon road in Ogden City, Utah, has been dissolved and that the said Leonard J. Smith sold and disposed of his interest to the said Joseph I. Smith who is to collect all bids and who will likewise pay all claims against the said firm of Smith Brothers. The business will be continued by the said Joseph I. Smith under the name of Smith Bedding Company.

Dated April 5, 1915.

BIG WRESTLERS ARE TO MEET ON MAT TONIGHT

Pete Visser and Chris Person, the heavyweight wrestlers who are to meet tonight in a bout at the Orpheum theatre, held their final workout yesterday, before crowds of interested fans. Person went on the mat with Frank DuCroz and his work impressed the fans as being of an order that will make his Ogden opponent in the contest tonight put forth his best efforts to equal.

The Duluth man was enlightened to a considerable extent yesterday as to Visser's ability on the mat and according to his statement now looks forward to a hard struggle. Both men rested up today and will go into the bout in fine condition. Jack Childs is to referee the main bout and the preliminaries will begin at 8:30 o'clock.

Promoter "Buck" Anderson has arranged for ladies to be admitted according to his statement now looks forward to a hard struggle. Both men rested up today and will go into the bout in fine condition. Jack Childs is to referee the main bout and the preliminaries will begin at 8:30 o'clock.

PUBLICITY BUREAU ESTABLISHED AT THE DEPOT

The Ogden, Logan & Idaho Railway company and the Weber club have established a joint publicity bureau in the main waiting room at the Union depot. The bureau is in charge of C. E. Smith and he will follow out the policy of the past two summers, in distributing literature and verbal information to members of the traveling public who find time to stop over in the city for short or long periods.

The supply of literature contains many excellent pamphlets concerning the civic, commercial, industrial, educational and scenic attractions of the city and the surrounding country, with Ogden canyon being given particular notice.

MOST INTERESTING PROGRAM AT THE ACADEMY

—Advertisement.

An interesting program was carried out this morning at the regular Weber academy student body assembly, the speakers being Irvin Poulter, Professor C. J. Jensen and Principal James L. Barker.

Professor Jensen made an appeal to the students to seek only for the finer things of life and to think only the highest thoughts. By these means, he said, nobler lives would be produced. By way of contrast, he vividly portrayed the low standard of the "smutty" story.

Mr. Poulter, who was valedictorian of the W. A. class of 1913-14, referred to the happy days of his four-year term at the academy and told of the splendid influence of the school. The influence, he said, he had strongly noticed by the contrast of influences which surrounded the students after leaving the school.

Principal Barker commented on the results of the Rich oratorical contest, held last Friday, and heartily commended Professors Ida Shurtliff and David J. Wilson and each of the contestants for the fine showing made.

Several violin solos by Professor Marcellus Smith were also appreciated features of the program.

NIBLEY RESIGNS AS A DIRECTOR

—Advertisement.

At a recent special meeting of the stockholders of the Utah-Idaho Sugar company in Salt Lake Bishop C. W. Nibley withdrew from the directorate the explanation being made that it was done to avoid the entangling situation of interlocking directorates in the sugar business of the state. Mr. Nibley is also a director and officer of the amalgamated company in this city and it is expected that he will remain in the Ogden company.

In all likelihood the next change will be the withdrawal of President Joseph F. Smith from the directorate of the Amalgamated Sugar company. He is president of the Ogden company, acting, it is claimed, as trustee in trust for the Mormon church. It is also understood that Bishop Nibley is trustee in trust for church interests as a director in the Ogden company. Nibley resigning from the Utah-Idaho company board of direct-

BRINGS SUIT FOR COST OF A TITLE

—Advertisement.

In Judge N. J. Harris' division of the district court, this forenoon, was heard the case of W. E. Hart against W. B. Wedell.

Hart sued Mr. Wedell for the cost of having title to certain real estate perfected which was purchased of the defendant. The plaintiff claimed that title to the property was guaranteed, but that when he undertook to make a sale, it was discovered that proceedings in the district court to quiet title were necessary. It is contended that the suit to quiet title cost in the neighborhood of \$70.

Yesterday, Clark Morris and wife, H. F. Lamb and H. F. Lamb, Jr., and wives and S. F. Stanley of Pueblo, Colo., stopped off in Ogden on their way to Salt Lake. They came over the Lincoln highway in a small machine, which was well spattered with Wyoming mud.

The party stated that considerable snow and mud were encountered in the path of the recent rain storm, which turned into snow in the higher altitudes, but that the road as a whole, was very good. A trip over the canyon boulevard to the Hermitage was appreciated.

CONSTRUCTING THE INTERURBAN LINE INTO CACHE

In the course of the next week or ten days, the Utah Construction company will establish a grading camp in the vicinity of Brigham City and construction of the Brigham to Wellsville interurban car line will begin. It is also planned by the big company to establish a camp near Wellsville and begin construction work toward Brigham City in the near future.

W. L. Wattis is still in Nevada assembling teams and grading equipment, but it is expected that he will return in the course of a few days. In the mean time, shipments of grading outfits will be made from Ogden to Brigham.

Manager P. D. Kline of the O-L-A-I company states that it has not yet been fully determined whether the entire distance between Brigham City and Wellsville, about thirty-six miles, will be graded this season, but it is very probable that it will.

Change of route north out of Ogden will not be made this season, Mr. Kline states, and it is not certain whether the road at any time will be extended straight north from Lincoln avenue to Harrisville, as contemplated some time ago. He is eager to have rails laid over the Brigham-Wellsville gap, which will enable him to operate interurban cars from Preston, Ida., to Ogden.

No free boxes; no free divans; no free newspaper coupons—everybody pays his way with the Alhambra. 5c and 10c.

WORLD'S MARKETS

New York, April 12.—Resumption of stock dealings today was in marked contrast to last week's frenzied movement. Instead of further advances the list evinced a reactionary trend, with numerous losses of a point or more. Trading was again extensive, however, United States Steel, Reading, Southern Pacific and Baltimore & Ohio being offered in lots of 1000 shares or over. Canadian Pacific, Union Pacific and Reading were among the heaviest issues. In keeping with its recent action Bethlehem Steel pursued a contrary course, losing a point at the outset and soon advancing three. Secondary prices showed general improvement.

A reactionary trend prevailed during the greater part of today's session. Lowest prices were registered in the final hour, the list yielding on another sensational rise in Bethlehem Steel.

London Stock Market. London, April 12.—American securities were again the feature on the stock exchange. A large business was transacted over parity, especially in Southern Pacific, Union Pacific, United States Steel and appeared to absorb the stock freely. Canadian Pacific was below parity under liquidation. The market finished steady. Copper shares were in good demand, especially Anaconda and Amalgamated.

South Omaha Livestock. South Omaha, Neb., April 12.—Hogs.—Receipts, 7,200; market, higher. "THE WINNING OF BARBARA WORTH" A BIG PLAY.

Gertrude Barker as "Barbara Worth," at the Orpheum Wednesday night in "THE WINNING OF BARBARA WORTH."

In "The Winning of Barbara Worth," the big scenic production presented at the Studebaker theatre and which comes to the Orpheum theatre Wednesday night, next, among other great scenes, there is given a picture of the desert without a blemish. It is a scenic achievement of a moving order. From the cry of the babe for water until the sand-storm wipes out every

vestige of the great tragedy that left Barbara nameless, the desert scene is awe-inspiring. It is the alpha of scenic artistry with the omega in the last act of a wonderfully realistic flood scene, where the desert is brought under subjection and made profitable by the wedding of the sunshine and the rain. ed material further gains. Corn rose with wheat. The market was also bullishly affected by the lightness of receipts. Opening prices, which varied from a shade to 3-8@1-2c higher, were followed by some additional upturns.

Offerings of oats proved scanty. In consequence the market took the same course as other grain. Higher prices for hogs lifted provisions. Selling was only of a scattered sort. The fact that navigation on the Great Lakes soon would be general, helped to prevent more than a moderate reaction in wheat. The close was unsettled, 7-8 to 2 1-4c above Saturday night's level.

Profit taking led afterward to a setback in corn. The close was nervous 1-8@1-4c up, compared with Saturday night.
